

Friends Use Pleasant Words & Voice Tone

Here's Some Kind Words I Can Choose to Say to My Friend

To have fun with my friend and let them know that I like them....

To Encourage and let my friend know that I noticed their effort - that they tried..

Because I am a Friend I can say...

Even when my friend is upset or sad about something, I can choose words that can help my friend....

Even when I am upset about something, I can choose words that will help my friend understand that I need some quiet time....
