

When it is time to work with others, I am with the group

Avoid Detours

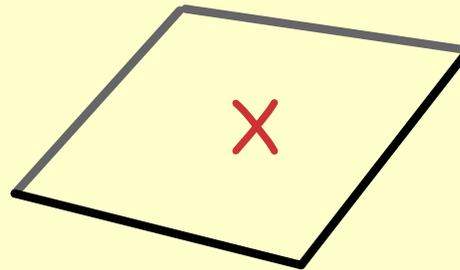

When walking in line, I stay in my place in the line order

When it is time to do desk work, I am at my desk

Staying in my assigned area

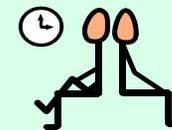

When it is a carpet task, I am sitting on my spot

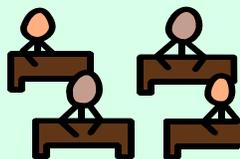

When it is time to line up, I am standing in line

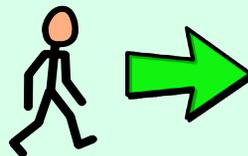

When I am to wait or sit out of an activity, then I am waiting in my area

When I am scheduled to be in a certain class, I am in that class

When I am going to something, then I am walking straight to it

When I need to leave my assigned area, I get permission before leaving.
